

Karen Pierce jewelry available as of January 1, 2021. To purchase call me at 303-674-2104, or email karen@karenpierce.com. For scale, jewelry cards are 3.5" x 2.5". The leaves are made by embossing copper with a dried leaf. Each piece is made from an actual leaf, which can only be used once; therefore each piece is unique! Watch my short video about *The Creative Process*.
